

# YEAR 5 RUGBY

## TEAM REPORT 5A/5B/5C

### Leprechauns 5A

SPC v Padua

A well deserved 14 - 7 win! Well done to all the boys. The Leprechauns played a close hard fought game. Well done to the forwards who won plenty of good ball for our backs. Well done to our backs who looked dangerous every time they were given good ball. Golden Boot award this week goes to Harrison Munday who worked hard all game, in defence and attack. Our biggest challenge for this week is to work at taking better advantage at drawing the player and passing to unmarked outside backs. We could easily have won by another 4 tries if we had done this well.

### LEPRECHAUNS 5B

SPC v Padua.

What a game. Leprechauns you played well, the forwards still need to get the ball out to the backs and backs you need to support one another. It was a close game, so you really came together as a team. There was some good talking in the pack but more talk would not go astray!. This weekend, we really need to work as a well oiled machine, constantly moving forward and supporting the runners.

Congratulations to Jack Buckland for the Golden Boots award.

Well done Steve Lawrence

That onslaught, it was out turn. We attacked hard and everyone did their job, but we also could not cross the line. Despite putting on most of the pressure, a GT player broke away and run 60 metres to score against the run of play. This turned out to be the only points in the game and we went down 7 - 0.

Another good team performance, with the weeks awards going to Jack Kelly (MOM) and Dustin Shaw (Golden Boot) Steve Lawrence

### Leprechauns 5C

SPC v Padua

This match was always going to be a little scary as these Leprechauns had already beaten this team 24 - 7, so the pressure was on. Again, these young men played as a team, and played well. It could have been because the B and A Team were watching and they wanted to put on a good display of Rugby! Again, they showed Padua had to maul and how to release the ball to the back line. The forwards were united in attack and defence and the backline were constantly marking up the opposition. The boys had to quickly learn how to handle a wet ball and this they did well, after a few initial spills! Congratulations to Liam who, 3 metres from the try line

passed the ball to his support person for a well earned try. Man of the Match - Tom Brookes Golden Boot - Ben Cross. Anne-Maree Bliss
